FAQ

**1. Which brand of electric vehicles can you supply?**

NiO, X-Peng, BYD, NiO, and any brand you want.

**2. What services can you provide?**

Accepted delivery terms: FOB, CIF, EXW, DDP, DAF;  
Payment currency accepted: US dollar, Euro, RMB;  
Payment types accepted: T/T, L/C,

**3: What's your minimum order?**

One unit.

**4: How do I recharge my electric car?**

Depending on the product type, Slow charge enables you to charge your car with a household outlet, and fast charge mode can only be applied to the charging station. Anyway, we could supply customized charging plugs for most of our products, No need to worry about "mismatched plugs"

**5: Mode of transportation**

We have professional freight forwarder teams for you to solve the transportation, to ensure timely delivery. We normally ship cars by sea, by truck, and by rail.
